Community Calendar November

Quincy Main Street's Farmers Market
Thursday, Nov. 9
3 p.m. to 7 p.m.
306 N. Madison Street, Quincy

Shop hand-made jewelry, gifts, soaps, and dog treats to locally grown vegetables, herbs, plants and flowers. Also, baked goods, sweets, grass-fed beef, fresh shrimp, smoked fish dip, and more. Come out and join the fun and fellowship, meet new people, and support our local crafters and growers.

Godsden County Veteran's Day Celebration
Friday, Nov. 10
11 a.m.
10 E. Jefferson Street, Quincy
Honor and remember those who served. United States Army (Ret.) 1st Sgt. Charles F. Sale III is the guest speaker. There will be food, drinks and door prizes.

Good Shepherd Catholic Church's Friendship Circle
Is inviting everyone to their Annual Arts & Crafts Sale
Saturday, Nov. 11 and Sunday, Nov. 12
Good Shepherd Catholic Church's Friendship Circle

is inviting everyone to their Annual Arts & Crafts Sale on Nov. 11 and 12. We are located at 4665 Thomasville Rd., Tallahassee, FL, about two miles north of 110. Hours are Saturday from 8:20 a.m. to 7:00 p.m. and Sunday from 9:00 a.m. until 7:30 p.m. We will have hand-crafted clothing, blankets, arts and crafts as well as Christmas items. We will also have a bake sale as well as coffee and donuts and lunch available for purchase. Admission is free.

Havana Garden Club Annual Fall Bazaar
Saturday, Nov. 11
207 7th Avenue
8:30 a.m. to 12:30 p.m.
Shop delicious homemade casseroles, yummy cakes and pies from family recipes, homemade jams and jellies, gently used home decor, yard art and planters. Come early for the best selections. All major credit cards accepted.

Behavioral Skills Training and Hospice Services in Caring for Loved Ones with Dementia

See Trends from page A2

made about Russia's invasion of Ukraine. Some such as "Watering Hole" involved threads collected from Africa and soon applied to a large, massive quilt which, at first glance, appears very unlike a quilt more as an elegant tapestry of intricate patterns of wildlife imagery. Others, notably the abstract "Crane" were akin to the geometric patterns of Orphic Cubism interspersed with small, varying different images of cranes. There were quilts for usage, decorations, cats, dining tables, mosaics, children's

quilts, quilts with trinkets, hand-sewn quilts, machine-based quilts, quilts for competitions, quilts both old and new. All of these types and more encompass the many approaches to quilting. Noted, too, in Sheila Callahan's Masterclass was the deep informality of quilting, and how quilting, much like sister languages, often have slightly different names for the same techniques that may vary depending on who taught the quilting to who. Inspiration from Japanese Quilters. In particular the works of Kumiko Sudo, from who she drew on to create the

Omiyage--small, hand-quilted gifts originating in Japanese Tradition. "To me, there is no bad time to start quilting," Sheila Callahan again elaborated. "It's for men and women, old and young people. If you approach, and there are many different ways to approach it, there are endless, endless ways to make one. It will bring you endless, endless joy, and a lot of serenity." The "Quilting... from Novice to Expert" by Sheila Callahan presentation lasted approximately an hour. The Sixth Annual Quilt Show and Sale ended around 4 p.m.

The White Rabbit offers a wide variety of goods and gifts.

See Rabbit from page A2

Robbie said wild rabbits that frequent their yard inspired the name. About 30 people attended the store's soft opening on Sunday, October 29. Even more stopped by throughout the day when the store officially opened last week. "We received some good suggestions," John said. So many people came in saying this is exactly what Quincy needs. The couple said they not only want to attract people from Godsden County, but all surrounding areas as well. "We want to let the market dictate what we sell in the future," John said. He noted they want to offer something for everyone.

For years--and for some, decades--buildings have sat vacant in downtown Quincy. "We want to be a part of the revitalization of downtown Quincy," Robby expressed. The two have hopes of seeing the historic downtown district come back to life like Downtown Bainbridge and Thomasville. The Hinsons said they hope their leap of faith will encourage others to open businesses downtown. John mentioned there's a space available right next door to them if someone is interested. "We are so excited to be part of this community," John said. There's such a great vibe and energy growing around Quincy and downtown and we're just so proud to be part of it."

made about Russia's invasion of Ukraine. Some such as "Watering Hole" involved threads collected from Africa and soon applied to a large, massive quilt which, at first glance, appears very unlike a quilt more as an elegant tapestry of wildlife imagery. Others, notably the abstract "Cranes" were akin to the geometric patterns of Orphic Cubism interspersed with small, varying different images of cranes. There were quilts for usage, decorations, cats, dining tables, mosaics, children's

quilts, quilts with trinkets, hand-sewn quilts, machine-based quilts, quilts for competitions, quilts both old and new. All of these types and more encompass the many approaches to quilting. Noted, too, in Sheila Callahan's Masterclass was the deep informality of quilting, and how quilting, much like sister languages, often have slightly different names for the same techniques that may vary depending on who taught the quilting to who. Inspiration from Japanese Quilters, in particular the works of Kumiko Sudo, from who she drew on to create the

Omiyage—small, hand-quilted gifts originating in Japanese Tradition. "To me, there is no bad time to start quilting," Sheila Callahan again elaborated. "It's for men and women, old and young people. If you approach, and there are many different ways to approach it, there are endless ways to make one. It will bring you endless, endless joy, and a lot of serenity." The "Quilting... from Novice to Expert" by Sheila Callahan presentation lasted approximately an hour. The Sixth Annual Quilt Show and Sale ended around 4 p.m.

The White Rabbit offers a wide variety of goods and gifts.

See *Rabbit* from page A2

Robbie said wild rabbits that frequent their yard inspired the name. About 30 people attended the store's soft opening on Sunday, October 29. Even more stopped by throughout the day when the store officially opened last week. "We received some good suggestions," John said. So many people came in saying this is exactly what Quincy needs. The couple said they not only want to attract people from Gadsden County, but all surrounding areas as well. "We want to let the market dictate what we sell in the future," John said. He noted they want to offer something for everyone.

For years—and for some, decades—buildings have sat vacant in downtown Quincy. "We want to be a part of the revitalization of downtown Quincy," Robby expressed. The two have hopes of seeing the historic downtown district come back to life like Downtown Bainbridge and Thomasville. The Hinsons said they hope their leap of faith will encourage others to open businesses downtown. John mentioned there's a space available right next door to them if someone is interested. "We are so excited to be part of this community," John said. There's such a great vibe and energy growing around Quincy and downtown and we're just so proud to be part of it."
