

Board of County Commissioners Agenda Request

Date of Meeting: April 2, 2024
Date Submitted: March 12, 2024
To: Honorable Chairman and Members of the Board
From: Edward J. Dixon, County Administrator
Curtis Young, Public Work Director
Subject: Approval to Sell Surplus Vehicles at Auction

Statement of Issue:

This agenda item seeks Board approval to sell surplus vehicles, which have either been replaced or have been transferred to Public Works for disposal.

Background:

The Public Works Department replaces equipment as needed when the equipment reaches the end of its useful life cycle and requires excessive repairs or has obtained high mileage. Public Works has found that disposing of equipment and vehicles by auction is the alternative financially. This item also includes vehicles from other Departments. Also needs to be sold at auction Cooksey Auction Co. on April 06, 2024.

Analysis:

In order to avoid maintaining equipment/vehicles that have reached their life expectancy, they are replaced. The replaced equipment/vehicles in the past have been sold at public auction and the revenue returned to the Transportation Fund for EMS. The following vehicles have been replaced and are ready to be eliminated from inventory.

- 2012 Chevrolet Ambulance 3500 1GB3C0C8XDF108543
- 2013 Chevrolet Ambulance 3500 1GB3C0C8XDF108882
- 2007 GMC YUKON 1GKFK13097RR248067
