Each estimate shall be based upon all the relevant factors known at the time, including, without limitation, past attendance at similar functions having the same and similar performers, both in Gadsden County and comparable communities, the price of admission and the extent of advertising and promotion contemplated.
- C. No person staging, promoting, or conducting a festival under an exemption certificate pursuant to this section shall permit the festival to continue for more than five hours in any forty-eight hour period or advertise or permit any advertising that a festival will so continue.
