

Board of County Commissioners Agenda Request

Date of Meeting: February 20, 2018

Date Submitted: January 16, 2018

To: Honorable Chairperson and Members of the Board

From: Dee Jackson, Interim County Administrator
Andre Walker, Interim EMS Chief

Subject: Approval of Purchasing a New Fire Truck

Statement of Issue:

This agenda item seeks Board approval for the Purchase of a new County-owned fire truck to be located at the Havana Volunteer Fire Department.

Background:

Per the Interlocal Fire and Rescue Service Agreement between the Volunteer Fire Departments and Gadsden County, the County shall provide a serviceable vehicle/tanker to be used by the Fire Departments to respond to all fires and rescue calls within the County.

Currently, the Havana Volunteer Fire Department has a 1998, International 1,000 gallon tank capacity, 1,250gpm pump fire truck that is owned by the County. The fire truck is the oldest truck in the County's fleet. Due to the age and call volume, the truck is becoming less reliable.

Analysis:

The County will be replacing the current fire truck located at the Havana Volunteer Fire Department with a new 2018 Rosenbauer Freightliner, M2 4 Door, 1500-gallon tank capacity with 1250gpm Pumper Fire Truck via the Florida Sheriff Association-Fire Rescue Vehicles Bid #FSA16-VEF12.0 Specification #18 Commercial Pumper. The new fire truck will not only provide fire and rescue services in the Havana area, but it will also provide fire and rescue services throughout the entire County.

Fiscal Impact:

The total amount of this purchase is \$299,487.00. There is \$300,000 budgeted for a fire truck in the Capital Outlay projects.

Options:

1. Approve the purchase of the new County-owned Fire Truck.
2. Do not approve.
3. Board direction.

Interim County Administrator's Recommendation:

Option 1

Attachment(s):

1. Florida Sheriff's Association Document
2. Florida Sheriff's Association Contract FSA-16-VF12.0 Fire Rescue Vehicles and other Equipment
