

Board of County Commissioners Agenda Request

Date of Meeting: February 20, 2018

Date Submitted: January 19, 2018

To: Honorable Chairperson and Members of the Board

From: Dee Jackson, Interim County Administrator
Curtis Young, Public Works Director

Subject: FDOT Grant Application Cycles

Statement of Issue:

This agenda item seeks Board approval to submit grant applications to the Florida Department of Transportation (FDOT) under the following programs:

- Small County Outreach Program (SCOP)
- Small County Road Assistance Program (SCRAP)
- County Incentive Grant Program (CIGP)

Background:

The Board can submit **one project for funding under each SCRAP, SCOP, and CIGP (program)** for consideration by the Florida Department of Transportation (FDOT). If selected for funding, the projects will then be included in FDOT's 5-Year Work Program. Staff has prepared a list of roads (see Attachment A) for the Board's consideration. All applications are due to FDOT by March 30, 2018.

Analysis:

The roads listed in Attachment A were selected by inspecting the surface condition, width, and length of the roadway. Using these criteria will help insure a high ranking and maximize the likelihood of funding for these projects. In addition, if any of the road projects are selected and funded, it will greatly improve the safety and driving quality for the citizens of Gadsden County.

Staff is requesting the Board to select from Attachment A one of the roads to submit for SCRAP funding, one road to submit for SCOP funding, and one road to submit for CIGP funding.

Fiscal Impact:

No impact. All match requirements are waived for Gadsden County.

Options:

1. Approve and select three candidate projects from the Attachment “A” list (1 SCRAP, 1 SCOP, and 1 CIGP) for submittal to FDOT.
2. Do not approve.
3. Board direction.

Interim County Administrator’s Recommendation:

Option 1

Attachment(s):

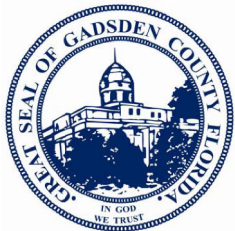

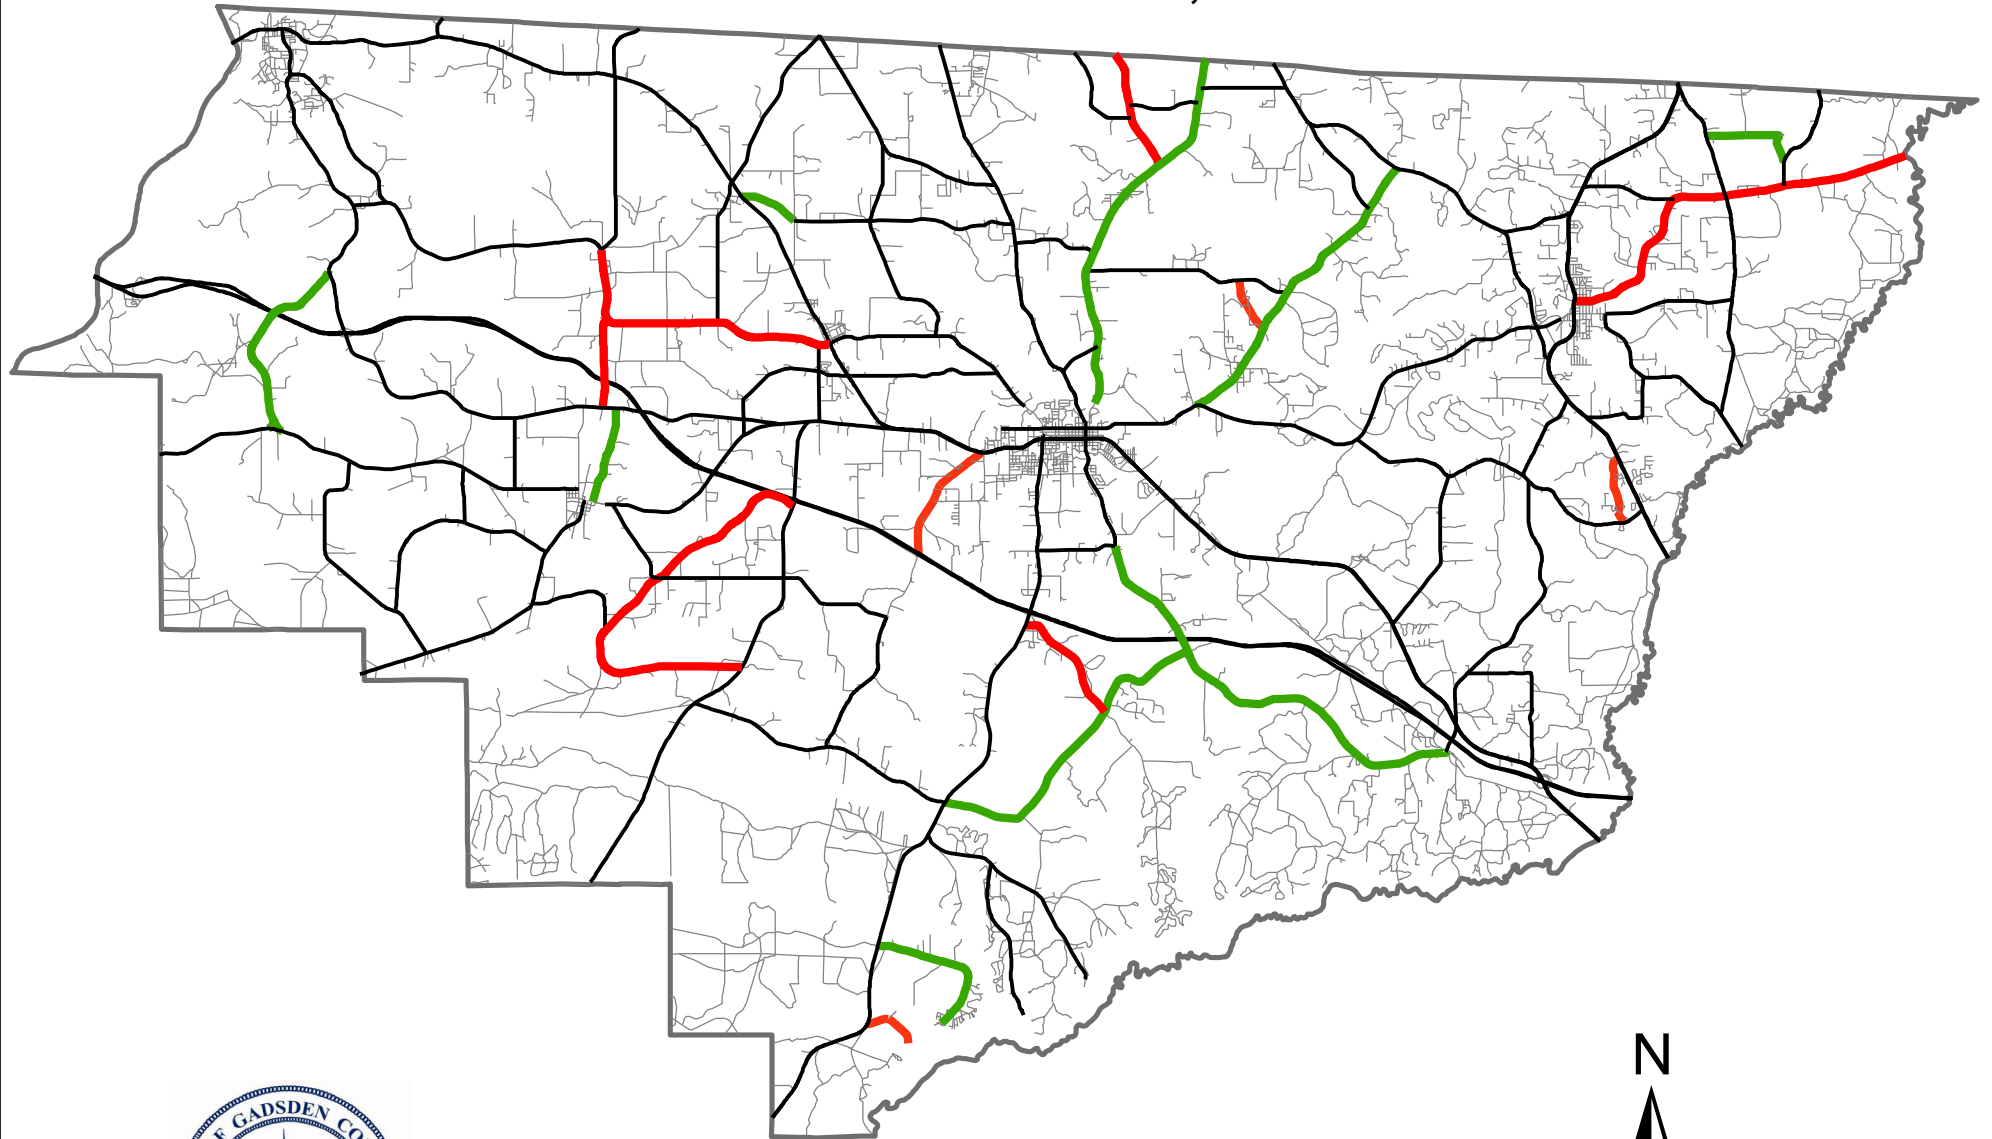

1. Attachment A: Potential Project List of Recommended Roads.
2. Work Map

ATTACHMENT A
POTENTIAL PROJECT LIST
2018 SCRAP / SCOP / CIGP GRANT SELECTION
