**Date Submitted:** February 1, 2018

**To:** Honorable Chairperson and Members of the Board

**From:** Dee Jackson, Interim County Administrator  
Curtis Young, Public Works Director

**Subject:** Amendment to the Contract for the Resurfacing and Reconstruction of Howell Road

---

### **Statement of Issue:**

This agenda item seeks Board approval of the amendment to the contract for resurfacing and reconstruction of the Howell Road Project, which is located in District 4.

### **Background:**

The Board entered into an agreement for the Howell Road Project as a grant through the Florida Department of Transportation. This project was awarded funds in the amount of \$704,028.00.

### **Analysis:**

Howell Road has been selected for funding by FDOT through their County Incentive Grant Program (CIGP) in the amount of \$704,028. The project will include widening and resurfacing of the existing roadway, as well as addressing all drainage issues within the project limits. The project was originally budgeted for \$704,028.00; however, the bids came in under budget in the amount of \$264,896.00. The new agreement amount will be decreased by \$380,143.00.

Therefore, an amendment was sent over by FDOT to be signed by the BOCC.

### **Fiscal Impact:**

There will be no fiscal impact.

**Options:**

1. Approve the amendment to the contract for resurfacing and reconstruction of the Howell Road project and authorize the Chairperson to sign all related documents.
2. Do not approve.
