

Board of County Commissioners Agenda Request

Date of Meeting: March 6, 2018

Date Submitted: February 20, 2018

To: Honorable Chairperson and Members of the Board

From: Dee Jackson, Interim County Administrator
Morris A. Young, Sheriff
Francis Flores, Investigator

Subject: Sheriff's Deputy Training Request – Florida SWAT Association
2018 Basic Sniper Course

Statement of Issue:

This agenda item seeks funding from the Gadsden County Law Enforcement Education Fund (LEEF) to pay training, boarding, and per diem costs for one Gadsden County Sheriff's Office (GCSO) Deputy Investigator to attend the upcoming Florida SWAT Association (FSA) Basic Sniper Course occurring March 5-9, 2018 in Orange County.

This training is to provide the GCSO Special Response Team (SRT) with a trained and certified sniper/observer.

Background:

Currently, the SRT Organization Chart identifies a sniper/observer position, although no SRT members are certified. Inv. Flores has been assigned to the SRT sniper/observer position and requires the certification training.

The benefits of a sniper/observer include: 1) SRT will have greatly enhanced intelligence, tactical, and force capabilities to protect the public and deputies; 2) sniper/observer knowledge/skills/abilities can serve many non-SRT functions of GCSO; and 3) knowledge/skills/abilities gained from courses will be transferred to GCSO deputies through in-house training.

Analysis:

Investigator Flores' chain-of-command has determined that the requested training will provide the sniper/observer with training and qualifications that best serves the operational needs of the SRT, based on: 1) FSA's reputation as premiere law enforcement

tactical training resource; 2) FSA's training cadre is composed of Florida law enforcement officers who work with Florida Statutes, Florida Department of Law Enforcement certifications, and various Florida law enforcement agency policies; and 3) FSA membership provides access to a network of Florida tactical law enforcement personnel that can directly support or advise training beyond the attended courses.

The products resulting from this training are: SRT will be staffed with a certified sniper/observer; SRT will have increased intelligence, tactical, and force capabilities to better protect the public and deputies; sniper/observer skills can serve many non-SRT functions of GCSO; and knowledge and skills gained from course attendance will be transferred to GCSO law enforcement through in-house training.

Fiscal Impact:

The fiscal impact is \$2,182.65. This includes:

- course - \$400.00
- hotel - \$966.95
- per diem - \$216.00
- required ammunition cost - \$599.70

Options:

1. Approve the training and the associated travel cost.
2. Do not approve.
3. Board direction.

Interim County Administrator's Recommendation:
