

## **Board of County Commissioners Agenda Request**

**Date of Meeting:** February 2, 2016

**Date Submitted:** January 19, 2016

**To:** Honorable Chairperson and Members of the Board

**From:** Robert M. Presnell, County Administrator  
Curtis Young, Public Works Director

**Subject:** Approval of a Task Order with Preble-Rish, Inc. for the Survey, Design and Contractor Procurement of the Peck Betts Road Paving Project

---

### **Statement of Issue:**

This agenda item seeks Board approval of a Task Order with Preble-Rish, Inc. (PRI) for the survey, design, and contractor procurement of the Peck Betts Road Paving Project and authorization for the Chairperson to sign.

### **Background:**

At the October 20, 2015 BOCC meeting the Board accepted funds in the amount of \$1,495,483.00 from the Florida Department of Transportation (FDOT) for the paving of Peck Betts Road. On December 5, 2015, the County received authorization from FDOT to enter into an agreement with PRI for the necessary professional services associated with the project. These services include the survey, design, and contractor procurement of the project.

### **Analysis:**

PRI has prepared a task order consistent with tasks and fees allowed by FDOT for projects of this nature. Approving the Task Order will allow PRI to begin the design process of the necessary improvements to Peck Betts Road.

### **Fiscal Impact:**

There will be no fiscal impact to Gadsden County. All costs will be grant funded.

**Options:**

1. Approve Task Order # 2016-151 authorizing PRI to begin the design process of the Peck Betts Road Paving Project and authorize the Chairperson to sign.
2. Do not approve.
3. Board direction.

**County Administrator's Recommendation:**

Option 1

**RE: Peck Betts Road – Gadsden County, FL  
Preble-Rish Project No. 228.151**

Dear Mr. Young:

It is our understanding that the County has received funding from the FDOT Small County Outreach Program (SCOP) for the paving of Peck Betts Road. Preble-Rish, Inc. (PRI) is pleased to provide this Task Order to provide the design and surveying to complete the proposed project. **Exhibit A** contains a detailed Task Order with a description of the scope of services. PRI proposes to provide these services for a fee of **\$130,042**. The associated fees are consistent with the allowable percentages outlined by FDOT.

If you have any questions, please give me a call at 850.674.3300.

Sincerely,

**PREBLE-RISH, INC.**

Justin Ford, P.E.  
Project Manager
