Dear Mrs. Robinson:

I am pleased to write this letter of support on behalf of the Gadsden County Board of County Commissioners for funding from Visit Florida for the 2017 exhibition of Vernacular Art and related cultural programs. The Gadsden Arts Center has worked in partnership with Gadsden County for many years, working to revitalize Quincy, improve quality of life through cultural events, exhibitions, and art programs for current residents, and attract visitors and new residents into the county.

Visitors are always impressed with the Gadsden Arts Center's museum-quality facilities, local to national scope art exhibitions, and broad range of educational programs for children through adults. The Gadsden Arts Center offers a variety of quality art exhibitions year round, always with free admission for visitors. The Gadsden Arts Center also acts as a visitor's center, welcoming people and offering information about the larger city and county.

Gadsden County supports the Gadsden Arts Center through our nonprofit grant program each year. I enthusiastically support your grant request for this 2017 exhibition and strongly recommend consideration.

Sincerely,

Brenda A. Holt
Chairperson
