Statement of Issue:

This agenda item seeks Board approval of a Task Order with Preble-Rish, Inc. (PRI) for the survey, design, and contractor procurement of the Brickyard Road Paving Project and authorization for the Chairperson to sign.

Background:

At the October 20, 2015 BOCC meeting, the Board accepted funds in the amount of \$931,590.00 from the Florida Department of Transportation (FDOT) for the paving of Brickyard Road. On December 5, 2015, the County received authorization from FDOT to enter into an agreement with PRI for the necessary professional services associated with the project. These services include the survey, design, and contractor procurement of the project.

Analysis:

PRI has prepared a task order consistent with tasks and fees allowed by FDOT for projects of this nature. Approving the Task Order will allow PRI to begin the design process of the necessary improvements to Brickyard Road.

Fiscal Impact:

There will be no fiscal impact to Gadsden County. All costs will be grant funded.

Options:

1. Approve Task Order # 2016-153 authorizing PRI to begin the design process of the Brickyard Road Paving Project and authorize the Chairperson to sign.
2. Do not approve.
3. Board direction.
