Subject: 2016 Paving Project Phase II – Bid Award

Statement of Issue:

This agenda item seeks Board approval to award the bid of the 2016 Paving Project to Peavy and Son Construction, Inc., the apparent low bidder, in the amount of \$2,349,556.00 and authorize the Chairperson to sign all documents.

Background:

The Gadsden County Board of County Commissioners (BOCC) allocated \$6,400,000.00 in the FY14-15 budget for the paving of various County roads. Roads were selected from each District for the initial phase of construction. On February 18, 2016 the BOCC advertised to receive sealed bids on the 2016 Paving Project Phase II. Bids were opened and read aloud on March 3, 2016.

Analysis:

A total of four (4) bids were received ranging from \$2,349,556.00 to \$2,971,838.00 as indicated in the attached Detailed Bid Tabulation. Each bid was broken down by Commission District in order to track the total funding utilized in each. **Peavy and Son Construction, Inc.** is the apparent low bidder in the amount of **\$2,349,556.00**. Their breakdown by district is also shown in the attached Bid Tabulation.

Fiscal Impact:

The entire cost of this project will be funded from the BOCC paving budget, which was \$6,400,000.00. The first round of paving resulted in a total cost of \$1,289,623.30. Additionally, the sidewalk constructed along Hogan Lane was funded under this budget item in the amount of \$184,620.00. The proposed contract is within the remaining

allocated budget of \$4,925,756.70. After this award, a total of \$2,576,200.70 will remain in the paving budget.

Attached is a spreadsheet showing the final cost breakdown of each district for the 2015 Paving Project and how much is left in the district allotment after the bid costs from the 2016 Paving Project Phase II.
