

**Board of County Commissioners
Agenda Request**

Date of Meeting: April 5, 2016
Date Submitted: March 18, 2016
To: Honorable Chairperson and Members of the Board
From: Robert M. Presnell, County Administrator
Subject: Approval of Proclamation for Water Conservation Month

Statement of Issue:

This agenda item seeks Board approval to proclaim the month of April as Water Conservation Month.

Background:

The Northwest Florida Management District works hard with the State of Florida and other management districts, local governments and water supply utilities to ensure the continued welfare of the residents and natural systems of Northwest Florida.

Analysis:

The Northwest Florida Water Management District encourages residents and counties throughout Florida to help support their efforts to ensure a clean and reliable water supply. These efforts are vital in having a healthy economy and community.

Options:

1. Approve the Proclamation and authorize all Commissioners to sign.
2. Do not approve.
3. Board direction.

County Administrator's Recommendation:

Option 1

Attachment:

Water Conservation Month Proclamation

PROCLAMATION

WHEREAS, clean, safe and sustainable water resources and supplies are vital to the people, environment and economy of Northwest Florida; and

WHEREAS, the Northwest Florida Water Management District is working with the State of Florida, other water management districts, local governments and water supply utilities to ensure the continued welfare of the residents and natural systems of Northwest Florida; and

WHEREAS, the Northwest Florida Water Management District encourages residents to help support the District's efforts to ensure a clean and reliable water supply, which is vital to a healthy economy and community; and

NOW, THEREFORE, the Gadsden County Board of County Commissioners now hereby proclaims the month of April 2016, as

Water Conservation Month

And calls upon each resident, visitor and business to help protect our region's water resources through common-sense water conservation measures and increased awareness of the need to conserve water.

PASSED AND ADOPTED this 5th day of April, A.D., 2016.
