

Board of County Commissioners Agenda Request

Date of Meeting: May 3, 2016

Date Submitted: April 6, 2016

To: Honorable Chairperson and Members of the Board

From: Robert M. Presnell, County Administrator
Curtis Young, Public Works Director

Subject: Approval of the Proposal from CSI Contracting, Inc. for Mitered End Sections on Kemp Road

Statement of Issues:

This agenda item seeks Board approval to enter into a contract with CSI Contracting, Inc. for installing mitered end sections on newly replaced culverts on Kemp Road.

Background:

Recently, three existing culverts on Kemp Road failed and required replacement. Public Works installed three – 60” culverts with mitered end sections. In order to finalize the project, concrete needs to be installed to prevent erosion around the culverts.

Analysis:

Three proposals were solicited to provide the necessary work to be done by concrete contractors according to Florida Department of Transportation standards. CSI Contracting, Inc. submitted the lowest quote.

Fiscal Impact:

The Public Works budget will be impacted by the proposal cost of \$5,990.00.

Options:

1. Approve the CSI Contracting, Inc. proposal
2. Do not approve
3. Board direction

County Administrator's Recommendation:

Option 1

Attachments:

1. CSI Contracting, Inc. proposal
2. Concrete Unlimited proposal
3. C. Randy Langston proposal
