Dear Chairman Holt:

I am writing to express my appreciation for your support in designating the second Monday in May as *Child Welfare Professionals Recognition Day*.

The press conference held on May 9, 2016, was a great success and could not have been possible without your support.

Child welfare professionals are the unsung heroes who work tirelessly to ensure the safety and well-being of our most precious resource – our children. Thank you for joining me in recognizing their invaluable service to the state of Florida.

Sincerely,

Frederica S. Wilson  
Member of Congress
