

## **Board of County Commission Agenda Request**

**Date of Meeting:** December 6, 2016

**Date Submitted:** November 15, 2016

**To:** Honorable Chairperson and Members of the Board

**From:** Robert M. Presnell, County Administrator

**Subject:** Approval of Resolution 2016-029 supporting the Gadsden County Community Transportation Safety Team (CTST) to apply for Transportation Enhancement Funding through the Safe Routes to School Program (SRTS).

---

### **Statement of Issue:**

This item seeks Board approval and signature by the chairperson in support of the Gadsden County CTST applying for Safe Routes to School (SRTS) Program funding for the Havana Middle School Sidewalk Project Phase II.

### **Background:**

The CTST is a locally based group of highway safety advocates who are committed to solving traffic safety problems through a comprehensive, multi-jurisdictional, multi-disciplinary approach. Members include local city, county, state agencies, as well as private industry representatives and local citizens.

The CTST has previously submitted an application for a new sidewalk along Iron Bridge Road from 11<sup>th</sup> Street to a secondary school entrance, (which has been approved for funding). Phase II will propose to extend the sidewalk out to 9<sup>th</sup> Street and connect to an existing sidewalk.

The CTST is seeking funding for this project through the SRTS program. If successful, the project would be awarded to Gadsden County as a “LAP” (Local Agency Program) project. The County would then select the design engineer and ultimately bid the construction of the project on a reimbursement basis with FDOT.

### **Fiscal Impact:**

None. Should the project be selected for funding, FDOT will fund 100% of the project costs.

**Options:**

1. Approve the Resolution supporting the Gadsden County CTST to apply for Transportation Enhancement funding through the Safe Routes To School Program (SRTS) and authorize the Chairperson to sign the resolution.
2. Do not approve.
3. Board direction.

**County Administrator's Recommendation:**
