

Board of County Commissioners

Agenda Request

Date of Meeting: January 20, 2015

Date Submitted: January 7, 2015

To: Honorable Chairperson and Members of the Board

From: Robert M. Presnell, County Administrator

Subject: Commission Appointment to Serve as Liaison to the Regional Workforce Board

Statement of Issue:

This agenda item seeks Board approval to appoint one Commissioner to serve as the liaison to the Regional Workforce Board (RWB).

Background:

The Workforce Investment Act of 1998 – PL105-220 requires that a chief local elected official (CLEO) “be liable for any misuse of the grant funds allocated to the local area” that could be incurred by the RWB (Section 117(1)(b)(i)(I)). The current budget is in the range of \$5M.

In the case of a multi-county region like ours, the three Counties (Gadsden, Wakulla and Leon) have a consortium agreement appointing the Leon County Commissioner as the lead CLEO. Leon County has decided to designate Commissioner Nick Maddox as the CLEO for this grant and he has been the signatory for the past three years on behalf of the consortium on the budget as required by law.

The new law, passed in July of 2014 envisions more engagement and collaboration between the Board and the CLEO’s. Therefore, whomever Gadsden County designates as their representative should be empowered to execute the new agreement anticipated to be required by July 1, 2016 when the new law (Workforce Innovation and Opportunity Act of 2014) goes into effect. That person would also be invited to attend the quarterly RWB meetings and receive newsletters and notices that go to the RWB Board members to keep the Commission informed.

In the past, Commissioner Croley served as the liaison for Gadsden County.

Re: Local Elected Official Role and Responsibility

Purpose: To clarify the role of the appointed chief elected official (Elected County Commissioner) to be the liaison to the regional workforce board (RWB).

Background: The Workforce Investment Act of 1998 – PL105-220 requires that a chief local elected official (CLEO) “be liable for any misuse of the grant funds allocated to the local area” (Section 117(1)(b)(i)(I) that could be incurred by the RWB. Our current budget is in the \$5M range.

In the case of a multi-county region like ours, the three Counties (Gadsden, Wakulla and Leon) have a consortium agreement appointing the Leon County Commissioner as the lead CLEO. Leon County has decided to designate Commissioner Nick Maddox as the CLEO for this grant and he has been the signatory for the past three years on behalf of the consortium on the budget as required by law.

The new law, passed in July of 2014 envisions more engagement and collaboration between the Board and the CLEO’s. Therefore, whomever Gadsden County designates as their representative should be empowered to sign off on the new agreement anticipated to be required by July 1 of 2016 when the new law (Workforce Innovation and Opportunity Act of 2014) goes into effect. That person would also be invited to attend the quarterly RWB meetings and receive newsletters and notices that go to the RWB Board members to keep the Commission informed.

Recommendation: That an elected county Commissioner be designated to represent Gadsden County and empowered to be the signatory on required legal documents that pertain to the RWB known as Big Bend Jobs and Education Council, Inc. dba CareerSource Capital Region.
