Statement of Issue:

This agenda item seeks Board approval for the re-appointments/appointments to the Apalachee Regional Planning Council (ARPC). Gadsden County is entitled to have three representatives on the ARPC. Two of these representatives are appointed locally by the Board of County Commissioners; one must be a county-elected official and one must be a municipal-elected official. The Governor appoints the third representative. Vice-Chair Commissioner Brenda Holt is currently Gadsden County's representative, Delores Madison is the Municipal Elected representative and Dr. Henry Grant is the Governor's Appointee.

The ARPC is one of eleven regional planning councils in Florida. The Apalachee Region is located in the Florida Panhandle and contains nine counties (Calhoun, Franklin, Gadsden, Gulf, Jackson, Jefferson, Leon, Liberty and Wakulla) and twenty-eight municipalities. The ARPC is governed by a twenty-seven member Board. Elected officials comprise two-thirds of the Board and appointees of the Governor represent the remaining one-third. The ARPC works with citizens and local governments on a wide range of issues and programs including, but not limited to: Economic Development planning and assistance; Hazardous Waste Generator Assessments; Hurricane Loss, Mitigation and Evaluation Studies; and Transportation Disadvantaged planning.

Re: Apalachee Regional Planning Council 2014 Appointments

Dear Chairman Hinson:

Pursuant to *Florida Administrative Code*, Chapter 29L-1, Gadsden County is entitled to have three representatives on the Apalachee Regional Planning Council (ARPC). Two of these representatives are appointed locally by the Board of County Commissioners; one must be a county-elected official and one must be a municipal-elected official. The Governor appoints the third representative.

Enclosed is an appointment form listing Gadsden County's current appointees to the Council. You may re-appoint elected officials currently serving on the ARPC Board; however, due to changes resulting from recent elections and reorganizations, it may be necessary for you to appoint new representatives.

Also enclosed is the 2013 attendance record for Apalachee Regional Planning Council members from Gadsden County. It is very important for both the County and the Council that the appointed representatives attend and participate in Council meetings. Decisions are made that directly affect local governments of the Apalachee region as well as its constituents.

You will need to return the enclosed appointment form to the Council office as soon as an appointment determination has been made. Please do not hesitate to contact me with any questions or if you need any additional information. Your continued support and cooperation are greatly appreciated. The next regularly scheduled ARPC meeting will be January 30, 2014.

Sincerely,

Chris Rietow
Executive Director
