14 use the airport; cooperate with any and all other governmental
15 agencies in accomplishing the purposes of this act; and do all

19 Quincy or Board of County Commissioners of Gadsden County may

23 Section 11. Powers.--The Quincy-Gadsden Airport
24 Authority shall have the following powers:

28 and real property for its purposes.
29 (4) To enter into contracts with governmental agencies
30 and subdivisions of the state or of the United States, or with
31

11 foreign or domestic air transportation.

12 (6) To acquire, by the power of eminent domain in the
13 manner provided in chapter 73, Florida Statutes, or chapter
14 74, Florida Statutes, land and the improvements thereon, but

16 may acquire land or other property for airport purposes by
17 grant, donation, purchase, or lease in the manner otherwise

21 act.

30 restaurants, food and beverage facilities, hotels or other
31 lodging facilities, parking lots, and similar facilities. The

1 authority may lease, but may not sell, such special purpose
2 facilities to private operators or concessionaires, or such
3 facilities may be operated by the authority in its discretion.

4 (9) To employ, in the operation and management of the
5 airport, such managers, supervisors, technicians, or other
6 personnel as are necessary for the economical and efficient
7 management thereof, and to adopt rules and regulations with
8 reference to all projects and matters under its control. All

11 authority, at cost, to any person who requests such copy.

12 (10) To have full power, in acquiring property for
13 airport purposes from the City of Quincy, Gadsden County, or
14 any public agency or in operating an airport, to contract with
15 the Federal Aviation Authority or any federal agency which
16 exercises any authority with respect to aviation, air
17 navigation, or air transportation. The authority must abide
18 by all rules and regulations of such federal agencies
19 including the rules and regulations governing the uses to
20 which land acquired for airport purposes may be put and the
21 rules and regulations governing the operation of the airport,
22 air navigation facilities, and aircraft. The authority may
23 assume any obligation, covenant, or agreement imposed prior to
24 the effective date of this act by any governmental agency by

- 3 (13) To finance or refinance the acquisition or
4 construction of projects by issuing revenue bonds or other
5 debt obligations in the manner provided by chapter 332,
6 Florida Statutes, or as provided by any other applicable
7 general law.
- 8 (14) To select and appoint agents and employees,
9 including engineers, architects, appraisers, realtors,
10 financial consultants, accountants, and attorneys and to fix
11 their compensation.
- 12 (15) To enter into contracts, and to execute any
13 instrument necessary or convenient, including a contract for
14 the construction, lease, rental, or use of any project.
- 15 (16) To borrow money for any of its purposes and to
16 execute any notes, mortgages, deeds to secure debt, trust
17 deeds, trust agreements, or such other instruments as are
18 necessary or convenient to evidence and secure such borrowing.
- 19 (17) To construct, acquire, own, maintain, extend,
20 improve, equip, operate, and manage projects located on
21 property owned or leased by the authority and to pay the cost
22 of any such project from the proceeds of revenue bonds of the
23 authority or from any other source.
- 24 (18) To report at least annually and in writing to the
25 City Commission of the City of Quincy and the Board of County
26 Commissioners of Gadsden County on the management and
27 operation of its airport and airport facilities and projects.
- 28 (19) To exercise any power granted by the laws of the
29 state to public or private corporations performing similar
30 functions which is not in conflict with the State
31 Constitution, to do all things necessary or convenient to

1 carry out the powers expressly conferred by this act and the
2 purposes of this act.

3 Section 12. Financial reports; audits.--The authority
4 shall, on or before November 30 of each year, file an annual
5 financial report for the fiscal year ending September 30
6 immediately preceding with the City Commission of the City of
7 Quincy and the Board of County Commissioners of Gadsden
8 County. The authority shall, on or before August 1 of each
9 year, submit to the city commission and to the board of county
10 commissioners a detailed proposed budget for its operations in
11 the succeeding fiscal year beginning October 1. The authority
12 shall, with approval of the city commission and the board of
13 county commissioners, fix a date and time on or before August
14 31 for a public hearing on the proposed budget of the
15 authority. Reasonable notice of the public hearing must be
16 advertised one time in a newspaper of general circulation
17 published in Gadsden County. The authority, the city
18 commission, and the board of county commissioners shall
19 convene on the date fixed in the advertisement and from day to
20 day thereafter if deemed necessary for the purpose of holding
21 such public hearing and making whatever revisions in the
22 proposed budget as are deemed necessary. The city commission
23 and the board of county commissioners, after their examination
24 of the authority's proposed budget and at a public hearing,
25 may approve or disapprove the budget of the authority. If the
26 city commission and the board of county commissioners cannot,
27 agree on the budget of the authority, in order to assure the
28 continued operation and maintenance of the airport and its
29 facilities and projects, the matter shall be submitted to
30 three independent arbitrators mutually selected by the city
31 commission and the board of county commissioners, and the

1 recommendation of a majority of such arbitrators shall be
 2 resubmitted to the city commission and the board of county
 3 commissioners for their approval. Upon approval by the city
 4 commission and the board of county commissioners, the budget
 5 shall become fixed and may not be amended except by the joint
 6 action of the city commission and the board of county
 7 commissioners. All expenses incurred for the fiscal year for
 8 which the budget is fixed shall be vouchered and charged on
 9 the financial records against the budget of that year, and, to
 10 carry out this provision, the authority may hold its books
 11 open for 30 days after the expiration of the fiscal year. The
 12 authority may not expend or contract to expend in any fiscal
 13 year more money than is budgeted. Total appropriations may
 14 not be exceeded. However, adjustments within the total budget
 15 may be made by majority vote of the authority. The authority
 16 may not incur indebtedness in excess of the expenditures
 17 authorized in the budget, pay any illegal charge against the
 18 authority, or pay any claim against the authority not
 19 authorized by law, and any member of the authority who concurs
 20 in such act is guilty of malfeasance in office and subject to
 21 removal from office.

22 Section 13. Insurance and indemnification.--The
 23 authority shall carry liability and property damage insurance
 24 in amounts sufficient to reasonably cover the exposure of the
 25 operation and maintenance of its airport, facilities, and
 26 projects, and the authority shall indemnify, protect, and hold
 27 harmless the City of Quincy and Gadsden County from and
 28 against any and all claims resulting from the use, occupancy,
 29 operation, or maintenance of its airport, facilities, or
 30 projects. The authority shall furnish the City of Quincy and
 31 Gadsden County with certificates of such insurance.

1 Section 14. Notice of meetings.--The authority must
 2 give notice of its proposed meetings by publication in a
 3 newspaper of general circulation in Gadsden County of the
 4 place and time of such meeting at least 48 hours prior
 5 thereto. However, the failure to give such notice shall not
 6 affect the validity of any meeting, and, in the case of
 7 emergency meetings, such notice requirement may be waived by a
 8 vote of two-thirds of the members of the authority.

9 Section 15. Creation of state, municipal, or district
 10 debts prohibited.--The authority may not create a debt against
 11 the state, the City of Quincy, or Gadsden County. All revenue
 12 bonds or debt obligations must contain on the face thereof a
 13 statement to the effect that the state, the county, and the
 14 city are not obligated to pay the same or the interest
 15 thereon; that the bonds or obligations are payable by the
 16 authority only from revenues of the project or the portion
 17 thereof for which they are issued; and that neither the faith
 18 and credit or the taxing power of the state or of any of its
 19 political subdivisions is pledged to the payment of the
 20 principal of or the interest on the bonds or obligations.

21 Section 16. Zoning regulations.--The authority may
 22 exercise and perform all of the powers and prerogatives
 23 conferred upon political subdivisions by chapter 333, Florida
 24 Statutes, as from time to time amended, with respect to the
 25 adoption and enforcement of airport zoning regulations. Any
 26 airport zoning regulations adopted by the authority pursuant,
 27 to such chapter shall supersede prior regulations adopted by
 28 the airport zoning board of the City of Quincy and Gadsden
 29 County insofar as such prior regulations pertain to an airport
 30 under the jurisdiction of the authority.

The Hon. Eric Hinson, Chairman
Gadsden County Board of Commissioners
Post Office Box 1799
Quincy, Florida 32353

Dear Chairman Hinson:

This letter is to support the appointment of Ashley May as one of Gadsden County's representatives to the Quincy-Gadsden Airport Authority. Manny Sousa's current term will expire on June 30, 2014 and in accordance with the enabling legislation of the Airport Authority he is not eligible to serve a third consecutive term.

Ashley May is a Gadsden County resident, a Gadsden County business owner, a tenant at the Quincy Municipal Airport, and an active volunteer in the operations of the Quincy-Gadsden Airport Authority. He brings a welcome addition of aviation experience and expertise to the Board and a commitment to the best interests of Gadsden County in the current operations and future development of the Quincy Municipal Airport.

Again, please consider this letter as the Authority's favorable recommendation of Ashley May as the Gadsden County's appointee to the Quincy-Gadsden Airport Authority for a three-year term beginning on July 1, 2014. The Airport Authority thanks the Gadsden County Commission for its commitment to the general aviation community of Gadsden and surrounding Counties and looks forward to our continued partnership in this endeavor.

Sincerely,

Larry L. Sirmons
Chairman
